

To Whom it May Concern:

It is with great pleasure and complete confidence that I recommend Syeda Komal and the Casa dei Bambini Montessori & Childcare. My four (4) year old daughter, Zaya, spent a year under Ms. Komal's supervision, observation and direction.

Ms. Komal has a wonderful rapport with people of all ages, especially children. Her experience and her dedication, especially to the Montessori Method, are unparalleled in the Albertville/St. Michael area. She provides a pleasant, clean and organized environment that allows her children to learn at their own pace and interact with others in a natural and serene setting. She incorporates nature shelves, living plants, and small animals into her classroom which allows the children to experience the natural world as much as possible. Ms. Komal has created and continues to create an environment which promotes the fulfillment of each child's highest potential. I believe that Zaya greatly evolved emotionally, physically and intellectually during her time at Casa dei Bambini Montessori & Childcare.

Unfortunately and with a heavy heart, due to job changes, I am no longer able to enroll Zaya as a student at Casa dei Bambini Montessori & Childcare. I feel so blessed that Zaya was able to experience such a wonderful and enlightening experience. Ms. Komal and Casa dei Bambini Montessori & Childcare will be greatly missed and will never be forgotten.

Sincerely,

Megan Esterberg
